DOT Inspection

The DOT Inspection menu provides summaries of all the collected data about the driver, truck, and trip. You may also use this menu to transfer the data to FMCSA during the DOT inspection, certify your logs, or view unidentified records.

Click on the “Start Inspection” button and check if your logs are ready to be transferred to the safety officials.

Data Transfer

If everything is OK, click the “Transfer Data” to Roadside Inspector button and choose the method of sending your logs:

- **Send it to the personal email (provided by the inspector);**
- **Send it to the FMCSA email;**
- **Send it to the Web Services (FMCSA).**

Please note that:

If you select “personal email”, you need to enter the recipient’s address, add a comment.

If you select “Web Services (FMCSA)” or “Email to FMCSA” you need to add a comment.

The reporting period will vary depending on the rules of the country in which you operate.

The screenshot shows a mobile application interface for data transfer. At the top, there is a back arrow and the title "Data Transfer". Below the title, there is a section labeled "Transfer Method" with three radio button options: "Email (personal)" (which is selected), "Email to FMCSA", and "Web Services (FMCSA)". Below these options, there are two text input fields: "Email" (containing the text "safety.ambereld@gmail.com") and "Comment" (containing the text "Enter Your Comment Here"). At the bottom of the form, there is a prominent yellow button labeled "Send".
